Think about all of the free entertainment available in your neighborhoods.

Concerts in the park, County wide shows in the parks, etc. For most you just need a chair or blanket to hear bands, string bands, and children's shows, etc. The Free libraries often have movies on summer evenings. Search your Sunday newspapers for festivities that week. Don't forget the new subscriptions for local theaters are renewing soon and some will give a kickback to your club for telling your members about their new lineups.
