The NJSFWC Headquarters Building, built with trading stamps, is located on land leased from Rutgers University. The Federation’s lease with Rutgers sets the rental amount at a percentage of the value of the land. Every 10 years, the NJSFWC and Rutgers determine the amount the land lease should be for the next 10 years. As you may be aware, the value of land has increased.

The 1894 Society was initiated in 2002 in an effort to build a fund that will enable the NJSFWC to meet any increase that may be assessed by Rutgers. Please help us to continue to build funds in the 1894 Society!

Memberships can be in the name of individuals or clubs.
