CLUB CONTESTS:

- Community Improvement Program Award Contest— A club project in any area of work may be entered in the GFWC Community Improvement Program Award. All entrants will receive a certificate, and the winning clubs at the state and national levels also receive cash awards to assist the club in furthering their community improvement project.
- “Best All Around Work”— Clubs that submit annual reports are eligible for the NJSFVC and GFWC club competitions. Certificates are awarded at the District and State levels for “Best Reported Work” in a particular department. Outstanding club work in GFWC programs and/or focus areas are eligible for \$50 cash awards. The NJSFVC State Chairmen submit the outstanding club reports to GFWC for consideration.

NOTE: For more information about project ideas, resources and the various contests, see the GFWC Club Manual, NJSFVC Supplements, NJSFVC Yearbook and/or the Federation websites (www.njsfvc.org or www.gfwc.org).
