

## 2019 Convention Service Project Benefits

### The Community Food Banks of New Jersey

The Community Food Bank of NJ/Southern Branch helps to feed those in need in over 250 agencies in Atlantic, Cape May and Cumberland counties. The charities include soup kitchens, food pantries, shelters, food banks, after school programs and senior centers, among others. At CFBNJ, they solicit food donations in order to warehouse and supply food and grocery product to New Jersey charities that carry on the vital work of feeding our less fortunate neighbors. This year's Convention Service project is a collection of items from the wish list below. Let's fill some shopping bags!!
