By now, most New Jersey clubwomen know that the NJSFWC was founded on November 16, 1894. With that date in mind, November 16, 2019 will mark the 125th anniversary of the Federation. Don't let this momentous anniversary be forgotten in your club. Why not plan a special anniversary meeting at Headquarters, or do something fun at your regular club meeting. Don't forget to record your event for your club's history. Guidelines for writing Club histories and events is available on the GFWC website under the materials section.

The month of March is National Women's History Month, and clubs' are encouraged to plan a special program for this meeting. Why not research notable Douglass alumnae, or read to the membership this Historian's past ALMANAC articles, where you will find interesting facts about some of our Past NJSFWC Presidents.

Please try to remember to support the 1894 Society fund that is used to pay the land rent of our Federation Headquarters building. The forms for the 1894 Society can be found on line, or your ALMANAC issues. What a perfect way to remember the 125th anniversary of the NJSFWC.
