Valuation Guide for In-Kind Donations:

Notes:

- Any **new items** donated should be valued at their actual price.
- If donating used items not listed below (furniture, household goods, etc.), the value of these should be approximately 1/3 of their original cost.
- Some items listed below are handmade or homemade and are not used, so an approximate value is listed as a guide.

Use this guide to help value items frequently donated by clubs or their communities in support of club projects.
