

Legislation/Resolutions January 2022 Council Bulletin

Let Our Voices Soar

All members of GFWC have been issued a GFWC Legislation Action Center Challenge. The Legislative Action Center is a powerful tool to alert you to GFWC's Public Policy issues and advocacy center. On that sight you can track national bills and take direct action on issues that are germane to GFWC Resolutions. And, you will be able to directly contact your national representatives and senators.

But to do that you must first sign up. Go to GFWC.org and look under the heading that says "WHAT WE DO". Click on "Legislation/Public Policy" and scroll down to Legislative Action Center. You can fill out the information and alerts will be sent directly to your mailbox.

As of the fall, New Jersey had the highest number of individual members in our region— 465 – who have signed up. If you have not done so, please consider this BEFORE June 1, 2022. It is a wonderful way to let our voices soar!
