Girls' Career Institute 2022

Congratulations _____! You have been chosen to be an **ALTERNATE** to NJSFWC Girls' Career Institute 2022. You will be notified if your status changes to Delegate from the Director. Please be aware this can happen as late as the night before GCI begins. Therefore, it is important that you are registered, so if/when your status changes, we have all your information.

You would be sponsored by _____ which is your local NJSFWC Club in the _____ District. Your Club GCI Coordinator is _____, who may be reached at _____.

You would be representing _____ High School and the School Contact is _____, who may be reached at _____.

You will need all the above information to register. Be sure to choose ALTERNATE.

You need to have a Parent / Guardian register you online by March 31. The website is <https://www.cognitofirms.com/NJSFWC1/GCI2022APPLICATION>.

If for any Reason you cannot attend June 6 – 9, 2022, please contact your school and club contacts listed above, as well as the Director listed below, so another Alternate may be chosen to fill your space.

You will receive an invitation sometime in April to attend a District GCI Orientation in May. It is important that you RSVP to this invitation. Your parents /guardians, school contact, and club coordinator are all welcome to attend with you. At this time, you will receive more information, and have a chance to answer any questions. Most Alternates who attend Orientation wind up being changed to Delegate.

I look forward to meeting you at your orientation and to possibly sharing GCI with you in June.
