### DELEGATES AND ALTERNATES

You will receive an invitation to the Orientation Reception in your District. **RSVP IS REQUIRED**

Your parents or guardians, as well as your school counselor, are welcome to accompany you. Please include them when you RSVP. Attending an orientation is very important. If you cannot attend the orientation in your area, please make every attempt to attend another one. Be sure to RSVP to the correct person for the orientation to plan to attend.

It is also important for alternates to attend an orientation. Alternates who attend orientation have a higher chance of being upgraded to delegate.

At orientation you will meet the Director and some of the staff, as well as other girls from your area who are attending GCI. Important information will be gone over, You, and your Parents or guardians will have a chance to ask any questions you may have. You will also learn about the career workshops being offered and how to register for your preferences.
