April 2022

Congratulations on your selection as a Delegate to the **74th Annual Girls' Career Institute!**

The New Jersey State Federation of Women's Clubs, a member of the international General Federation of Women's Clubs, in cooperation with Douglass Residential College offers you this opportunity to experience a few days of college campus life.

The 74th Annual GCI will be held June 6-9, 2022, at Douglass Residential College on the Rutgers University campus in New Brunswick. We have scheduled relevant and well-informed speakers, workshops, and discussions of career options for women.

You will experience four days of college life, discuss today's challenges, network with delegates from all areas of New Jersey and have the opportunity to form new friendships. In addition to scheduled seminars, you will have unscheduled time for planned activities and recreation. On the evening of Wednesday, June 8th, each dorm wing will present an original skit conceived by you and your dorm mates.

You and your parents will receive an invitation to an Orientation held in your District between May 9-19. Please make every effort to attend. Respond to the invitation with the number of people in your family attending or let us know if you cannot attend so that we can offer an alternate venue or get additional very important information to you.

Registration will be at Lippincott Residence Hall (directions enclosed) on Monday, June 6th between 1:00 and 2:30 p.m. Please do not arrive earlier than 1:00 p.m., as the dorm will not be open. Parents are invited to come early on June 6th to attend the closing session in Hickman Hall at 9:00 a.m., featuring the GCI Chorus and Fashion Show. Checkout time is 11:30 a.m.

A local NJSFWC Woman's Club has sponsored you. You should expect to attend a meeting in September or October at their meeting place to relate your GCI experiences.

If you find you are unable to attend GCI for the *entire* 4-day event, you **must** notify the GCI Director, MaryKay Tokar (201) 320-8403 or her assistant Brandi Miller (202) 210-4488, **and** your school. A packet will then be sent to an Alternate Delegate to complete.

We are planning an enjoyable and informative mini-college experience for you and look forward to greeting you and your parents on June 6th.

Sincerely,

MaryKay Tokar, Director
Girls' Career Institute
