NJSFWC LEGISLATION/RESOLUTIONS

GAIL D. KOVACS-FELICI, CHAIRMAN

September 2022 Bulletin

"Clubs and clubwomen are the local advocates for GFWC's legislative agenda"

To sign up for the GFWC Legislation Action Center, just follow these easy steps:

- Go to www.gfwc.org
- Tab over to "What We Do"
- Tab to "Legislation/Public Policy"
- Scroll down to "Legislation Action Center"
- The "Join Now" tab is on the right – sign up!

The current legislation for the 117th Congress (January 3, 2021 - January 3, 2023) is on the left. Prior Congresses are on a tab to the right.

Find your elected officials (just enter your zip code).

What the bill is, when it was introduced, a description, sponsor and co-sponsors and the latest action will be available. (Remember that the "S" in front of a bill number is for the Senate and an "H" in front of a bill number is for the House.) The legislation will also note whether GFWC state delegates voted (at the International Convention) to support or oppose the said piece of legislation.

This is the very first item on the NJSFWC Supplement for the Legislative/Resolutions Community Service Program. It is also on the NJSFWC 2022 Reporting form. It will be listed as one project, but be sure to note the number of members that have registered for the GFWC Legislation Action Center and the number of hours they have spent reading and responding to the legislative alerts.
