GFWC Additional Programs & Benefits

The programs below are designed to provide GFWC's clubs with additional benefits of belonging to GFWC. Please contact GFWC at GFWC@GFWC.org or 1-800-443-4392 with any questions.

AHT Insurance

GFWC is pleased to offer three insurance plans through our insurance partner, AHT Insurance:

Directors & Officers (D&O) Liability Insurance, intended to cover a variety of claims that allege a wrongful act attributable to the management or governance of an organization. November 1 is the renewal deadline.

General Liability Insurance, which provides protection in the event of bodily injury or property damage to a third party due to your alleged negligence. February 1 is the renewal deadline.

Event Insurance, which allows clubs to insure a single event.

General Liability Insurance premiums start at \$350 annually, but may vary based on the number of club members and other special considerations. D&O Liability Insurance premiums are \$463.50 annually for all GFWC clubs.

For additional information about AHT Insurance plans, contact Assistant Account Manager Carol Rohde at carol.rohde@ahtins.com or 703-737-2248.

Office Depot

Office DEPOT. OfficeMax®

Office Depot Business Solutions Division is rebranded to ODP Business Solutions.

ODP Business Solutions® and General Federation Women's Club have partnered to provide exclusive benefits and savings on a wide selection of products and services including:

- Office Essentials
- Cleaning and Breakroom Solutions
- Print & Copy Services
- Furniture
- Technology

ODP Business Solutions is committed to helping you take care of business.

Office Depot is adapting the way they do business to ensure they can continue to meet the business needs of an ever-changing world. As part of this change, the Office Depot Business Solutions Division is rebranded to ODP Business Solutions, and the in-store purchasing process will look different going forward.

The changes include:

- The current Store Purchasing Card Program is being replaced by the new Store Discount Program. If a member currently has a Store Purchasing Card (SPC), the card will be switched over to the new Store Discount Program starting May 1, 2022.
- A member can continue to use an SPC temporarily to access the new Store Discount Program, but the SPC will be discontinued in approximately 13 months.
- A member can register online for the Store Discount Program by logging into their existing account or register via the [GFWC Office Depot Savings Program page](#) on the GFWC website.
- The Store Discount Program will now offer a standard discount on certain product categories when you identify yourself as a program member; however, the SPC will no longer provide access to your discounted contract pricing. **Members can continue to get their full contract pricing by placing orders online.**
- Members will need to download the business mobile app to access the digital QR Code to present at check-out in an Office Depot® or OfficeMax® store in place of the SPC. If the member already has the Office Depot Business mobile app, it will soon be re-branded ODP Business Solutions. **Once a member has registered online for the Store Discount Program, the member will be able to access the digital QR Code in the app.**

Visit the [GFWC Office Depot Savings Program page](#) to shop great deals online. Orders placed online can be delivered to a home or business address, or members can place orders online for pick up at their favorite Office Depot or Office Max store.

Mediators Program

How the GFWC Mediators Help Members, Clubs, and State Federations

GFWC encourages its members to take advantage of the many resources it provides for building and sustaining strong, healthy clubs. The valuable experience of State Federation, committee chairmen, and national officers plus informative publications, such as *GFWC Clubwoman Magazine*, the *GFWC Club Manual*, and GFWC's weekly newsletter *News & Notes*, are all available to GFWC clubwomen. However, sometimes issues arise that require a more considered approach. For these cases, GFWC Mediators can serve as an impartial listener, and provide thoughtful feedback and assistance in developing a resolution strategy. All interaction with a GFWC Mediator is kept confidential.

It is important to note that GFWC Mediators are not able to provide legal advice and cannot legally negotiate between parties, nor is any participant bound by the recommendations of a GFWC Mediator.

How To Request a GFWC Mediator

Requests for assistance from a GFWC Mediator should be sent to Director of Membership Services & Programs Melanie Gisler at 202-347-3168 or MGisler@GFWC.org. Please provide a brief description of the issue for which assistance is requested, and a Mediator will be assigned. Mediators are asked to solicit feedback from participants and provide general reports keeping identities anonymous to GFWC Headquarters for program assessment
