This Report Worksheet is to be used to report ALL fundraisers held in 2022.

This report will enable your club to compile fundraising information all in one place; regardless of the beneficiary of the income from your event. Your club will continue to report events on the individual department report, if applicable, but ALL fundraisers should also be reported on this form. **Example**-Your club has a luncheon for scholarships. You would report the project on the Education Worksheet as follows: the time spent to hold the luncheon + time spent to choose the scholarship recipient under hours and the amount given to scholarships, under dollars. You would report the hours and cost of running the luncheon and the total charitable donation on the fundraising report

The first section **GFWC Fundraisers** are those fundraisers that are GFWC sponsored vendors, which can be found in the GFWC Club Manual. The **Club Fundraiser** section will ask you to describe ANY fundraiser your club holds, regardless of how the funds are to be distributed.

You are encouraged to attach copies of narratives on any fundraiser, even if you have reported the fundraiser in a department worksheet. Please share a detailed description of projects your club has completed in 2022, including the who, what, when, where and why. **(No more than 2 pages, do not send pictures, fliers, etc.)**
