NJSFWC STATE FALL CONFERENCE

SPECIAL STATE PROJECT COLLECTION

New Jersey Children's Alliance promotes hope, healing and justice for victims of child abuse throughout New Jersey by supporting Child Advocacy Centers (CAC) with training, resources, advocacy, and leadership. The CACs are child-friendly centers where a multidisciplinary team (MDT) consisting of Department of Children and Families workers, police, prosecutors, victim advocates, medical and mental health professionals meet to coordinate a response to allegations of child sexual and severe physical abuse. There is a CAC in every county.

With the CAC model, a child discloses, or when abuse is suspected, the child is brought to the CAC, a child-friendly facility, where they are interviewed by a specially trained forensic interviewer. The professionals involved in the investigation can view the interview in monitoring rooms, with the goal of eliminating the need to re-interview the child. The team members share case information with one another and determine next steps. The family is then connected with needed services that promote healing, including medical and mental health care. The centers are in need of QUIET items for children waiting for services.

At NJSFWC's State Fall Conference, our members and clubs are asked to bring the following items that will be given to children when they come to the center to help with the waiting process. Please help with this project by donating the following items:

- **Small** boxes of crayons
- **Small** boxes of colored pencils
- **Small** stuffed animals that children can hold in their hands (for younger children needing comfort)
- **Small pads** of paper or notebooks (should be bounded – no loose paper)
- **Pencils**
- **Small** bottles of hand sanitizers
- **Pocket tissues** (the types that can be put into a purse or pocket)

Please Note: All items should be small and should not make any noise while the children waiting for services. These items will be distributed to all the Child Advocacy Centers throughout New Jersey.

THE 1894 SOCIETY

The NJSFWC Headquarters Building, built with trading stamps, is located on land leased from Rutgers University. The Federation's lease with Rutgers sets the rental amount at a percentage of the value of the land. The value of land has increased.

The 1894 Society was initiated in 2002 in an effort to build a fund that will enable the NJSFWC to fund the land rental

To Donate by Credit Card:
