Remember the wonderful performances on Tuesday afternoon at Convention? A special thank you to all participants. The performance was excellent and enjoyed by all.

This chairman is encouraging all clubs to start now planning their “Acts” for your District Arts Performing Day this spring. This year, we had six Districts participating. It would be excellent to have representatives from Ramapo and College join us. All that’s needed is a chairman and a place to hold your performing arts day. The rest is easy.

The clubs that worked together and wrote and enacted their original scripts had a good time coming together. All it takes is one or two people with a creative idea,

Please call me or email me if you need additional information or would like to be your District Chairman. Training will be provided. Thank you.
