

Dear NJSFWC Clubwoman,

New Jersey State Federation of Women's Clubs of GFWC **Legacy Planned Giving Pledge** was created under Past President Jan Hanson.

LEGACY as defined by *Webster's Ninth New Collegiate Dictionary* is a gift by will of money or other personal property.

NJSWFC members are invited to support this **Legacy Planned Giving** by pledging to remember the Federation in their estate planning.

Federated Clubwomen may allocate funds through their estate planning to establish a Legacy by Planned Giving. These contributions can be directed to the Headquarters Foundation, 1894 Society, Girls Career Institute, the Special State Project, items within the Continuing Funds, or as a Fellowship in a chosen area of interest.

Clubwomen have remembered our Federation with Legacies going back to our first State President, Margaret Yardley, who passed away in 1928. In 1929, her son donated \$5,000 in her memory. The donation was invested and to this day scholarship grants are awarded to deserving women who are New Jersey residents pursuing post-graduate advanced studies at the school of their choice. In addition, our second State President Cecilia Gaines Holland passed away in 1944 and bequeathed \$1,000 to be given to a clubwoman doing outstanding civic work in New Jersey. To this day, our Federation has a yearly Cecilia Gaines Holland 1894 Society, awardee. Because of this program, **Legacy by Planned Giving**, their Federation Legacy lives on.
