

COLLEGE DISTRICT PROGRAM INFORMATION

At the January council meeting or through your sent Program report sheets, clubs shared the following information. If your club is interested in a particular program and there is no contact or information about the program, please contact the club that sponsored the program. Many of the programs are either done for a cause or to keep members engaged or for fun, and many of the programs are town sponsored. I Hope this gives you some great ideas for programs to be held at your meetings. If you are interested in what other clubs are doing from other districts, information can be found on the NJSFWC Website under Materials under Program Assistance
