**Canva Pro**

**Canva for Teams**

[Canva](#) is an online design platform that makes it simple to create professional flyers, posters, business cards, logos, social media graphics, and more. With its intuitive design tools and extensive library of templates and design elements, you do not need graphic design experience to create polished materials.

Canva is free to the public; however, [Canva Pro](#) offers additional premium features. A valuable benefit available to nonprofit organizations is that Canva may provide Canva Pro free of charge for up to 50 members. Canva Pro is especially helpful for clubs because it allows members to collaborate and work together as a team.

To apply for nonprofit access, visit the Canva website and search for “Nonprofits” on the home page. One person from the club should serve as the Team Leader and submit the required documentation verifying the club’s nonprofit status. The application process is simple and takes only a few minutes. Once approved, the club will be upgraded to Canva Pro and may begin using the premium features.

Canva accepts the following documentation:

- Determination Letter from the IRS
- Consumer Certificate of Exemption
- Form W-9
- Form 990

YouTube also offers many tutorials for Canva beginners, making it easy to learn the platform’s features and tools. Once upgraded, a gold crown icon on your account signifies access to Canva Pro features.

## Mediators Program

### How the GFWC Mediators Help Members, Clubs, and State Federations

GFWC encourages its members to take advantage of the many resources it provides for building and sustaining strong, healthy clubs. The valuable experience of State Federation, committee chairmen, and national officers plus informative publications, such as *GFWC Clubwoman Magazine*, the *GFWC Club Manual*, and GFWC's weekly newsletter *News & Notes*, are all available to GFWC clubwomen. However, sometimes issues arise that require a more considered approach. For these cases, GFWC Mediators can serve as an impartial listener, and provide thoughtful feedback and assistance in developing a resolution strategy. All interaction with a GFWC Mediator is kept confidential.

It is important to note that GFWC Mediators are not able to provide legal advice and cannot legally negotiate between parties, nor is any participant bound by the recommendations of a GFWC Mediator.

Requests for assistance from a GFWC Mediator should be sent to Director of Membership Services & Programs Melanie Gisler at 202-347-3168 or [MGisler@GFWC.org](mailto:MGisler@GFWC.org). Please provide a brief description of the issue for which assistance is requested, and a Mediator will be assigned. Mediators are asked to solicit feedback from participants and provide general reports keeping identities anonymous to GFWC Headquarters for program assessment.
