- On this Report Sheet, **all** fundraisers should be reported, regardless of the beneficiary of the income from the project or event. (Example: if your club held a luncheon and the proceeds were for scholarships, you would also report the project on the Education and Libraries Report Sheet, including hours, dollars donated, monetary value of in-kind donations, and a detailed description of the project.)
- **For this Fundraising report only, clubs are allowed to cross-report.**
- Indicate the fundraisers your club has done from January 1, 2026 through December 31, 2026.
- For each fundraiser, list the title of the fundraiser, total hours your members worked on it, and the profit made. The list of fundraisers can be continued on page 2.
- Please add a detailed description of these fundraisers on up to two additional pages.
(Total of two pages maximum.)
- **Each fundraiser you describe should have its own separate title and explanation paragraph.** (Please don't send pictures or flyers.)

New Jersey State Federation of Women's Clubs of GFWC

Susan Chambers, President
NJSFWC A Force for Good
2026

GENERAL INFORMATION:

Enclosed in this packet are the following:

1. 2026 NJSFWC Club Project Report Worksheets for the following;
 - Arts and Culture
 - Arts Performing
 - Civic Engagement and Outreach
 - Education and Libraries
 - Environment
 - Health and Wellness (including the Club Walking Challenge)
 - Advocates for Children
 - Communications
 - Fundraising
 - GFWC Signature Project: Domestic Violence Awareness and Prevention
 - Club and Women's History
 - Legislation/Public Policy
 - Membership
 - Leadership
 - Special State Project
2. Report Writing Instructions – pages 2-4
3. A Valuation Guide for In-Kind donations - page 5
4. Project Description examples – pages 6-8
5. Report Writing Tips: General and Specific – pages 9-11
6. An updated version of "Where Should We Report It?" (separate pages 1-10)

The Report Worksheets have been designed to:

- Enable you to document your club work and your history of the work you have done
- Report your club work to NJSFWC

Please note that individual clubs do not report directly to GFWC.

Report Writing Instructions

2026 Calendar Year
(January 1, 2026 – December 31, 2026)

GETTING STARTED:

1. Worksheet Header Information

- Complete the header information at the top of **each** Club Project Report worksheet. Reminder: The number of members reported here must match the number that your club reported on May 1, 2026 Yearbook Data Form (Blue Sheet). If you are **not** using a fillable PDF (that you can get from the NJSFWC website), then please PRINT CLEARLY on the form.
- Make certain that you fill in your District Name, the Chairman's Name (Chairman of that Program Area), the chairman's phone number and her email address.

2. Gathering Information

- Gather all the information about your club's activities from January 1, 2026 through December 31, 2026. Use project reports your club may have completed, as well as your club newsletter, club minutes and the treasurer's reports.
 - You can also utilize the Project Report Form, located in this packet, to organize all your projects your club accomplished in 2026. The information you put on this sheet can be easily copied to the Year End Report in each Program Area. Utilizing this form throughout 2027 will also make report writing easier next year.

3. How to Figure Where the Project Should Be Reported

- Decide where to report each activity. Think about why you did an activity and that will usually help you decide where to logically report it.
- If you are not sure where to report an activity, check the "Where Should We Report It?" document.
- Everything a club does should be reported

4. Report the project on the correct form.

- **Look at each project your club did and report each project in the correct department**
- **It should not matter which chairman or committee did the work.** For example, if the Health and Wellness Chairman coordinated the donation of gifts for a domestic violence shelter, it should be reported in the Domestic Violence and Awareness report. The work is being reported on behalf of the club, not on behalf of an individual member or committee.
- Projects for each program area (except for GFWC Affiliates) are listed alphabetically, making it easier to find.

Completing the Statistics:

- If the activity you are reporting is listed on a worksheet, write the numbers of projects you did for that area, as well as the number of hours given and the number of dollars donated.
- If the activity you are reporting is not listed on any worksheet, enter the activity under "Other Projects" on the appropriate worksheet.

HOW TO CALCULATE TOTAL HOURS FOR PROJECT

Total number of members involved: Include all members working on all aspects, including planning , and all members attending . Count each member ONLY once. Keep any sign-up sheets.	Total Number of Members for the Project: Use this number to complete the next step
Total number of hours: Multiply all planning hours X (times) each member planning: _____ Then <u>Add</u> hours to complete project X(times) each member attending:	Total Hours for the Project _____ Put this number in the Hours Column

Examples of determining hours for a project:

- **Project #1:**
 - If a project takes 4 committee meetings to plan, each lasting 2 hours, with 5 people at each meeting, the planning hours are:
8 hours of meeting time X 5 people at each meeting = 40 planning hours.
 - If this project is an event that lasts 4 hours, and 10 members attend and/or work, that equals 40 member-hours for the actual event.
 - If 2 members come an hour early to set up, and 2 members stay an hour late to clean up, that is an additional 4 hours.
So far, the project totals 84 hours.
 - Any hours making phone calls or arrangements, buying items, cooking or baking, etc., would also be added on.
- **Project #2:**
 - If a speaker gives a presentation for a half hour to 20 members, the total hours for that part of the project is 10.
 - Additional hours would be added for any time member(s) researched the topic or made arrangements, etc.

HOW TO CALCULATE TOTAL COST OF A PROJECT

Total Dollars donated or spent from the club treasury (e.g. any monies spent from the club treasury for such things as scholarships, donations, speaker's fees (etc.))	Put this number in <u>Actual Dollars Donated</u> column
In-Kind value of any items donated, or purchased by members to be donated: (e.g. value of books, school supplies, toiletries, Tricky Tray or Silent Auction items donated by other parties, etc.) It can be approximated	Put this number in <u>Monetary Value of In-Kind Donations</u> column
Profit (if applicable) This number will be used in the Fundraising Year End Report . It is important to describe the project on the report sheet of the program in which you did the project. Example: Scholarship Luncheon should be reported in the Education and Libraries Program and Profit in the Fundraising Report.	 The Profit column is ONLY in the fundraising report. Utilize this number in descriptions of the project

- Please don't leave blank spaces; fill in statistical lines for hours and cost. If your club is reporting a project, you will have spent time on it, and there will most likely be some cost, whether actual money or in-kind value.

PROJECT DESCRIPTIONS PAGES/NARRATIVES

- You will probably find that many projects require more than just a statistical line to give a full picture of what your club has done for a particular activity. In order to best explain a project, you may attach **no more than two pages** for each Program area with detailed description of the projects that you wish to highlight. You can add as many projects that will fit on only 2 pages.
- Explain how the project was planned and carried out. When writing the description for a project, you should include as much information as you can, and explain it to your club's advantage. A page entitled Project Description Examples included in this packet gives you some ideas of how to do this.
- Each project you describe should include Who, What, When, Where and Why. It isn't necessary to write a narrative for every project. However, you'll find that many projects require more than a statistical line to give a full picture of your club's efforts.
- Do not try to squeeze additional information on the worksheet columns other than what is requested. Use your narrative pages to give project details.
- These narratives enhance your chances of winning an award on the District, State and National levels.

MAILING COMPLETED REPORT

Mail each NJSFWC Club Project Report, along with any project descriptions, to the chairman listed at the bottom of the report. **These must be postmarked no later than February 1 2027.**

Valuation Guide for In-Kind Donations

Notes:

- Any **new items** donated should be valued at their actual price.
- If donating used items not listed below (furniture, household goods, etc.), the value of these should be approximately 1/3 of their original cost.
- Some items listed below are either handmade or homemade and are not used, so an approximate value is listed as a guide.

Use this guide to help value items frequently donated by clubs or their communities in support of club projects.

- Aluminum tabs----- \$ 1 per pound
- Books, used----- \$ 2
- CD's or DVD's, used----- \$ 2
- Coats, used----- \$ 10
- Cookies----- \$ 5 per dozen
- Dolls/animals, handmade (for police, first responders)----- \$ 5
- Eyeglasses, used----- \$ 2/pair
- Gloves/mittens/scarves, used----- \$ 2
- Gowns, used (prom gowns, etc.)----- \$ 25
- Hats or caps, new knitted/crocheted ----- \$ 5
- Hats or caps, handmade (for cancer patients)----- \$ 5
- Masks for COVID-19 purposes, new----- \$ 2-\$5
- Shoes, used----- \$ 5/pair
- Stuffed animals, used (for police, first responders)----- \$ 1
- Towels/rugs, used (for animal shelters, etc.)----- \$ 1 - \$2

Note: Clothing items not listed above can be valued at \$2 per piece.

Project Description Examples

These examples are from previous club end-of-year reports. They are provided for you as **examples** of highlighted projects.

Remember you can only utilize 2 pages to highlight projects in each Community Service Program and for Advocates for Children, Communications, Fundraising, GFWC Signature Project, Club History, Leadership, Legislation/Resolutions, Membership and Special State Project.

Arts and Culture Community Service Program

Art Museum Tour

Our Club arranged a private tour of the William Paterson University Art Museum to view an exhibit by a featured artist whose work sparked strong interest among our members. After the museum informed the artist of our enthusiasm, he joined the tour and personally guided us through the exhibition. Twenty members spent three engaging hours hearing firsthand about his creative process, artistic vision, and the stories behind his work. To conclude this memorable experience, the artist presented each member with a signed book about the exhibit.

Advocates for Children

Egg My Yard

Our Juniorette Club launched “Egg My Yard,” a festive Easter project that brought a special surprise to local families. Through flyers and word-of-mouth outreach, community members were invited to order plastic eggs filled with wrapped candy, small toys, or a combination of both. Orders were coordinated through the club’s advisor, and families could note food allergies on the order form to ensure that each delivery was prepared safely and thoughtfully. The filled eggs were then placed throughout participating families’ yards on the night before Easter.

Women’s club members worked in an assembly line to fill the eggs and sort each order by family. The advisor mapped efficient delivery routes through the neighborhoods, with a parent driving each car and accompanying three Junioresettes. On the evening before Easter, the teams scattered the eggs throughout each yard and used bunny-foot stencils and chalk to create tracks along sidewalks and driveways, adding to the excitement by showing that the Easter Bunny had visited. The project combined teamwork, creativity, and community spirit while generating a profit of \$1,680.

Letters to Santa

During the holiday season, our Club brought the magic of Santa to local children by answering their letters. With the town’s permission, we placed two bright red mailboxes at convenient locations and promoted the project throughout the community. Members discreetly collected the letters during school hours, preserving the mystery for participating children. The committee then prepared personalized replies on decorative stationery, writing in red or green ink and sharing warm holiday wishes and affection from Santa without promising specific gifts. Each response was mailed directly to the child. When a letter did not include an address, members worked with elementary school teachers who could sometimes identify the writer by their handwriting. Through this thoughtful project, our Club answered more than 300 letters and created a memorable holiday experience for children across the community.

Health and Wellness Community Service Program

Kickboxing Event for Go Red for Women

For the fifth consecutive year, our Club marked Heart Health Month in February by hosting a kickboxing fundraiser for Go Red for Women, the American Heart Association's initiative to raise awareness of women's heart health. A kickboxing instructor from a local fitness club led a public class that was open to both members and nonmembers of the facility. Our Club and the fitness center promoted the event throughout the community to encourage participation. On the day of the event, members staffed the registration table, collected the \$10 admission fee, and provided bottled water and snacks to participants. The American Heart Association supplied Red Dress pins and magnets for attendees, further extending the event's educational message. By combining physical activity, community outreach, and heart-health awareness, the event generated a profit of \$310.

Breast Cancer Patient "Care Jars"

In October, ten members created "Care Jars" to provide comfort and encouragement to breast cancer patients. Twenty Mason jars were filled with practical toiletries—including lotion, shampoo, shower gel, and lip balm—along with tea bags and a pink washcloth. Each jar was decorated with a pink ribbon and an uplifting message, adding a thoughtful personal touch. The completed Care Jars were donated to the cancer care unit at our local hospital for distribution to patients.

Environment Community Service Program

Arbor Day Presentation and Poster Contest

A Club member visited our local elementary school to teach fifth-grade students about the importance of preserving trees. Following the presentation, students were invited to create posters inspired by the theme "Trees Are Terrific." Club members evaluated the entries after a meeting and selected a contest winner, who received a small gift. Every participating student was also given a tree seedling to plant, extending the lesson beyond the classroom and encouraging hands-on environmental stewardship.

Civic Engagement and Outreach

Easter Baskets

Our Club partnered with the local Social Services department to provide Easter baskets for families in need, with the department identifying the number required. Six weeks before Easter, we placed collection boxes in several local stores and invited community members to donate plastic eggs, chocolate bunnies, wrapped candy, Easter grass or paper shred, and small toys. Members collected the donations weekly and stored them at a member's home until assembly day. The Club also purchased colorful plastic buckets to serve as the baskets. Ten members filled the buckets with the donated items, wrapped each one in a cellophane bag, and delivered the completed Easter baskets to Social Services the week before Easter for distribution to local families.

Membership

Club 90th Anniversary Celebration

Our Club commemorated its 90th anniversary with a special celebration at the town hall. Honored guests included several past Club presidents, a state senator, two state assembly members, and the mayor, each of whom congratulated the Club and expressed appreciation for its longstanding volunteer service to the community. The Club president presented a timeline of the organization's history and shared memorable facts and accomplishments from its founding through the present day. All attendees received commemorative programs and pens, enjoyed refreshments, and had the celebration recorded by a Club member. Thirty current members attended, joining community leaders and former presidents in honoring nine decades of service, fellowship, and achievement.

REPORT WRITING TIPS

General

- It may be easier to write the project descriptions first and then calculate the number of projects, number of hours and cost. As you write the information down, the total work done on a project becomes clearer.

Number of Projects

- **On the line where a project is listed, this figure is the number of different activities that your club did for the project.**
- For example, if your club supported National Library Week by 1) sponsoring a bookmark contest, 2) holding a children's craft session and 3) conducting a "Meet an Author" program, the number of projects would be **three**. However, if your club supported National Library Week by collecting 35 books for your local library through a Wish Tree Project, the number of projects would be one (1).
- The number of projects is not the number of items collected or purchased for a project. For example, your club bought 25 State Project Pins. The purchasing of pins is **one** project. Your club distributed 100 Breast Cancer Awareness ribbons in your area at the town's Fall Festival, this is **one** project.
- Another example: If your club delivers Meals-On-Wheels 7 times during the year, you would count this as **one** project. If you deliver meals **and** make tray favors for Meals on Wheels, then you would count these as **two** projects. When you are counting projects, think of each **different** activities as one project, no matter how many times the project was done.

Number of Hours

- **Under the Hours column: this is the number of Hours that all your members worked in any given area. This includes the hours spent planning the project, at the activity, driving or traveling, and on the telephone.**
- Example: If there is a program/speaker at a regular club meeting, the hours your members spend listening to the speaker or watching the program should be reported. If you have a program that lasts 30 minutes and you have 30 members in attendance, then you multiply the ½ hour times the 30 members and you get 15 hours.
- Example: If your club did a project to make Hug-A-Bears (stuffed bears) and there are various steps to this project: One member shopped for the material and stuffing (1 hour), it took 5 members 3 hours each to make 15 bears (15 hours) and 1 member delivered them to the local Emergency Squad – ½ hour. The project took 16 ½ hours to complete. Please round up that number to 17.
- Keeping any sign-up sheets will help to see how many members worked on a project and calculate their hours.
- Remember to round up all hours on the worksheets; do not report any fractions of hours.

Dollars

- **Under the Dollars column: This is the total amount of actual money spent or donated from the club treasury.**
- Example: If you had a program on literacy and the speaker charged \$50 for the program, or if the speaker charged you nothing, but you gave a \$50 honorarium, the number of Dollars is \$50.
- If your club provides a scholarship to a graduating high school student, the value is reported in the Dollars column.

Monetary Value of In-Kind Donations

- **Under this column: This is the value of any donated items (whether new or used) or items purchased by anyone, other than with club funds.**
- In-kind value is something other than money that nonetheless has value. The dollar value for these items are reported in the In-Kind Donations Column.
- Examples of in-kind donations include the value of books, school supplies, food or toiletries donated. Other examples are Tricky Tray or Silent Auction items solicited, printing or copying, and miles driven (multiplied by 25 cents a mile). See the Valuation guide for a list of items that are frequently donated by clubs.
- Gift cards – if your club treasury pays for the gift cards, this is included in dollars spent. If the gift cards are donated by members or the public, the cost is included under in-kind donations.
- Round up all money totals to the nearest dollar; do not report cents.

Specific:

Health and Wellness Report

- Included in this report is the NJSFWC Walking Challenge Sheet and Instructions. If your club or club member does any type physical exercise, please fill this out and mail it to the State Chairman, Kim Otto, with your report.

Fundraising Report

- This worksheet is designed to report **ALL** fundraisers regardless of how the profits are distributed. When reporting information about fundraising, the following is needed:
 - Hours it took to run the fundraiser
 - The Profit made from the fundraiser.
 - Under the Club Fundraiser column, describe the Fundraiser, such as Tricky Tray or Scholarship Luncheon.
- Please consider adding up to 2 additional pages describing the fundraising Project.
- The fundraiser should also be included on the report sheet for which you did the project. Example: Scholarship Luncheon will also be reported in the Education and Libraries Report Sheet.

Program Assistance Information Sheet

- The sheet for Program Assistance Day is an Information Sheet, **not a report**.
- Clubs should report all programs in the appropriate Community Service Program Report worksheet.
- The Program Assistance Information Sheet should be mailed or given to the District Program Assistance Chairman **by your January District Council**, and a copy should be mailed to the State Chairman no later than February 1.

Leadership Report

Use the following formulas to assist you in calculating the number of hours spent on leadership-related activities:

State Executive Committee/Board Members/State Committee Members:

____ of meetings ***multiplied by the sum of*** (# ____ Hours Preparing for Each Meeting +
____ Hours Spent in Each Meeting + # ____ Round-trip Travel Time) = Total # ____
Hours

Club Presidents/Club Board Members:

____ of meetings ***multiplied by the sum of*** (# ____ Hours Preparing for Each Meeting +
____ Hours Spent in Each Meeting) = Total # ____ Hours

Club Department/Committee Chairmen:

____ of meetings ***multiplied by the sum of*** (# ____ Hours Preparing for Each Meeting +
____ Hours Spent in Each Meeting) + # ____ Hours Spent Purchasing Items for
Event + # ____ Hours Spent Running Event = Total # ____ Hours

Note: If a meeting generally lasts 2 hours, the rule of thumb is that it will take 4 hours to prepare for the meeting.

ADDITIONAL REPORTING INFORMATION:

Community Impact Program (CIP) - The Community Impact Program is a separate, two-year project. If your club is entering a Community Impact Program Project, review the 2026-2027 Community Impact Project Ideas, the GFWC Club Manual, and bulletins in the ALMANAC about contest details.

- This two-year project report should be submitted to the CIP State Chairman by February 15, 2028.
- A project that you are submitting for CIP should also be reported on the appropriate Community Service Program (CSP) Report Worksheet each year (not just at the end of the two-year period). For example, if your club has established a Remembrance Garden as its CIP project, it should also be reported on the Environment Report worksheet on the year-end report for the 2026 calendar year **and** the report for the 2027 calendar year.
- COMPLETE INFORMATION AND REPORTING GUIDELINES CAN BE FOUND AT njsfwc.org, UNDER MATERIALS. SCROLL DOWN TO **COMMUNITY IMPACT PROGRAM**

State Clubs and District Past Presidents Clubs Report - State Clubs and District Past Presidents Clubs may only report the work done by and for these clubs. Members' work for their primary/home clubs may not be reported on the State Club or District Past President Club reports.

Club Sponsored Activities and Projects vs. Individual Member Volunteer Activities - Remember, clubs report, members do not. If a member volunteers outside of her club, the hours cannot be counted unless it is a "club sponsored" project.

NJSFWC Leadership Report Sheet 2026

Club Name _____ District _____

Number of Members as Reported on the May 1, 2026 Yearbook Data Form _____

September 23, 2026

Dear Club Presidents and Club Members,

Enclosed are the New, updated Report Sheet Forms for the year ending December 31, 2026. As in the past, they must be mailed to the Chairman whose name is listed on each form, postmarked by February 1, 2027.

- ❖ Writing year-end reports, including project descriptions, is the best way to document your club history! When you submit your reports to NJSFWC, you assure that your club and its activities will be a part of our Federation's rich 132-year history.
- ❖ Without each and every club, there is no Federation. Write proudly about the projects and programs done by your club to benefit your community.

Please share these forms with your Chairmen. No club president should ever have to write the club reports by herself. The report sheets are on our website and are in a **pdf fillable format**. This will enable those who prefer, to type directly onto the forms before printing and mailing them to the appropriate Chairmen.

- ❖ **Your Project Descriptions are extremely important** to our NJSFWC Chairmen. The Chairmen write their reports using information contained in YOUR descriptions. In addition, your Club Creativity Award entry may be selected from the project description submitted, and winning entries selected by GFWC may receive a certificate and monetary award.
- ❖ Due to GFWC category changes, many projects are now reported in different Community Service program areas. So, it is important to check the Where Should We Report It? pages to find out where your club's project should be reported.
- ❖ You may add a detailed description of as many projects as you would like to highlight on two additional pages (total of two pages maximum per report). Each project you wish to highlight should have its own separate title and explanation paragraph.

Report Writing is important for documenting the history of your club while providing NJSFWC with important information about your projects. Please complete your reports and become part of NJSFWC's history as well.

In Federation Friendship,

Susan Chambers
NJSFWC President
Encls.

GFWC Signature Project: Domestic and Sexual Violence Awareness and Prevention Report Sheet 2026
